

DeSante Wines

Winery Description

DeSante Wines consists of the husband and wife team of David and Katharine DeSante. We worked at wineries and restaurants in California, Washington and Australia before returning to the Napa Valley. After being approached by several friends with distinguished vineyards, we decided to start our own small wine company with the harvest of 2001.

WINERY TASTING NOTES

A lovely expression of this grape varietal. Luscious aromas of tropical fruit are joined by delicate notes of apricot, tangerine and ripe summer melon. In the mouth, the wine exhibits crisp mid-palate structure. A pleasing degree of minerality sets the stage for complex, fruit-driven finish. Light and wonderfully refreshing!

WINERY TASTING NOTES

Fresh pear, golden apple, and wildflower are the aromas that come from this wine. The palate runs long and crisp with pear and pineapple mixing with orange zest to touch down with the light, yet tangible finish of chalky minerals.
